## ART REQUIREMENTS

We prefer Vector Art (.AI, .EPS or .CDR files). Please remember to convert all text to outlines or curves rather than saving files with fonts. Files that contain Placed Images (bitmaps, jpgs, gifs) will require conversion to Vector Art. If you do not have Vector Art, please send the highest DPI quality art that you have. If you do not have art, we require you to supply a sketch, sample or picture to work off of. All artwork that is not Vector will incur charges to create or convert to Vector Art with a minimum charge of \$50.00.

**Shipping fees are based on weight, dimensions & zip code. We use UPS rates- unless your PO directs us otherwise. PLEASE indicate on your shipping request form if we are shipping to a residence or a business.**
